Help spread the word about the 2020 Census through emails and blogs to members of your community. You can send the content below or tailor to match your community's interests and concerns.

We are excited to announce that we are partnering with the U.S. Census Bureau to support the 2020 Census. As a partner, we will be working to make sure our community is accurately represented in the upcoming decennial count.

The census counts everyone in the United States. Census results are the basis for congressional representation and help determine how more than \$675 billion in federal funds is distributed each year to support vital programs in states and communities across the country. These funds shape local health care, housing, education, transportation, employment, and public policy.

As the 2020 Census approaches, we will continue to share information about how you can make sure our community is fully represented. Visit **2020CENSUS.GOV** anytime to get the latest news.
